BOOK SALES

Waterstones St Albans are supporting the Festival and will be selling the books associated with the sessions.

Book sales take place in the church after each session.

BOOK SIGNINGS

After each session there is usually the opportunity to meet the author and have your new book signed.

Book signings take place immediately after each talk, in the same venue.

SUPPORTING

The Festival is raising funds for the Friends of St Leonard's (FOSL) for the conservation and repair of the church building and its surroundings.

While at the Festival do have a look at the mediaeval wall paintings and enjoy the outside space that also serves as the village green. We need funds to maintain this heritage for the benefit of future generations.
